Re: MSDH Recent Public Records Request (Agency ID# 2669)

Dear Ms. Johanson,

I am a Special Assistant Attorney General representing the Mississippi State Department of Health (MSDH), and I have reviewed your recent public records request for “any documents related to routine health inspections and investigations/complaints/enforcement actions/health code violations for the following health clinic: Planned Parenthood- Hattiesburg Center.”

No documents can be produced in response to your request because no such documents exist. MSDH does not license single specialty clinics, such as the Planned Parenthood clinic in Hattiesburg.

Thank you for your attention to this matter. If you have any questions, please feel free to contact me. I can best be reached by email at the address below.

Sincerely,

/s Seth Hall
