PUBLIC RECORD REQUESTED:

I am requesting a list of all calls for service (fire, alarm, ambulance, emergency medical services) from January 1, 2010 to the present (the day your department processes this request), for the following address: 2112 E. Franklin Road, Meridian, ID 83642 A CAD spreadsheet or printout would satisfy my request, as long as it has date and time of each incident, type of incident, and outcome. I am not looking for any names of victims. I'm just doing a due diligence search on the address. Along with the list of all calls for service, please provide an explanation for any codes or abbreviations used on the list of all calls for service. Please e-mail me copies of these to save on postage and preparation. I agree to pay the statutory fee for these records, if any are applicable. Let me know if cost is more than \$15. Thank you!
