RE: PUBLIC RECORDS REQUEST of July 21, 2019, Reference # M000176-072119.

Dear Kevin Sherlock,

The City of Mount Vernon received a public information request from you on July 21, 2019. You requested the following:

**"I am requesting a list of all calls for service (fire, alarm, ambulance, emergency medical services) from January 1, 2010 or from the start of your department's computerized database to the present (the day your department processes this request), for the following address:**

**1805 E. Division St., Mount Vernon, WA 98274**

**A CAD spreadsheet or printout would satisfy my request, as long as it has date and time of each incident, type of incident, and outcome. I am not looking for any names of victims. I'm just doing a due diligence search on the address.**

**Along with the list of all calls for service, please provide an explanation for any codes or abbreviations used on the list of all calls for service.**

**Please e-mail me copies of these if you can to save on postage and preparation.**

**I agree to pay the statutory fee for these records, if any are applicable. Let me know if cost is more than \$15. Thank you!"**

The City of Mount Vernon has reviewed its files and has located responsive records to your request. Our records database dates back to January 1, 2011 and two records were found:

#14-0001167 on April 8, 2014 @ 17:38:13 - EMS related call  
#12-0002438 on August 4, 2014 @ 20:47:23 - Water or Steam leak

Your public records request is now complete and this request is closed. If you have any questions, or wish to discuss this further, please contact me.

Sincerely,

Becky Jensen  
Public Records Officer  
910 Cleveland Avenue  
Mount Vernon, Washington 98273
